

GETTING IN PUERTO DE LA CRUZ

By plane

On the island of Tenerife, there are two airports: **Tenerife South** and **Tenerife North**. Both airports can be used to arrive at Puerto de la Cruz. From both airports you can reach the city and your hotel in a bit more than an hour in the following ways:

- **by bus:** for the timetable and ticket you can visit the official [website](#);
- **by taxi:** The taxi rank is located directly outside the terminal building. You can find more information on the [official website](#).

Getting around the city

On foot

Discovering the city on foot is pretty easy. Puerto de la Cruz is not a very big city so it is perfectly walkable and it is for sure the best way to explore the city! Furthermore, for hiking enthusiasts Puerto de la Cruz is the starting point of several hiking trails for all skill levels.

By bus

Buses in Puerto de La Cruz are the best way to reach every part of the city and in general of the island. The main provider is called “Titsa” and on their official [website](#), you can have information on the timetables and the prices.
